*In an accessible, inviting format, this 40-day devotional experience weaves inspirational readings on faith and prayer with quotes and excerpts from John Wesley. Each selection offers a simple daily pattern of reflection with a prayer, scripture, a short reading, quotes from John Wesley, and a blessing to take with you through the day. Even those new to Wesley or a daily prayer guide will find this book an easy read for reassurance and inspiration during the Lent and Easter season.*

**If you need a scholarship for the book, please let Sue know by March 4**

*Bob Goff shares remarkable stories from his life and shows how living and loving to the fullest is the best way to make Jesus known in this world. Remember the joy and excitement as a kid of being invited to a big party? You felt valued, included, wanted and ready to have a good time. Goff believes that every day of life can be lived with the same childlike enthusiasm and sense of humor.*

*Discover a Secretly Incredible Life in an Ordinary World*

*Whether you've travelled to meet dozens of world leaders with your kids, and started a school in Uganda like Goff, or are simply seeking a new perspective on the Christian life, you'll learn that love is a verb, not just a feeling. His insights and joyful reflections will help you discover what it means to live as Howard Thurman intended when he said, "Don't ask what the world needs. Ask what makes you come alive, and go do it. Because what the world needs is people who have come alive."*
